Demolition Sign-Off Form

780 CMR: State Building Code Section 112.0 Demolition of Structures

- 112.1 **Service connections:** Before a building or structure can be demolished or removed, the owner or agent shall notify all utilities having service connections within the building or structure, such as; water, electric, gas, sewer and other connections. A permit to demolish or remove a building or structure shall not be issued until a release is obtained from the utilities, stating that their respective service connections and appurtenant equipment, such as; meters and regulators have been removed or sealed and plugged in a safe manner.

Under the provisions of the above reference Section 112.0 this office requires this document to be completed with the following information and releases:

Building or Structure Location: _____
